THE FLAGSHIP PROGRAM

Fellow Program in Entrepreneurship

Learn.
Build.
Grow.

A certified one-year mentorship program for early-stage founders. Coaching leads — funding preparation sits alongside the work, when your startup is ready.

PROGRAM OVERVIEW

◉ **A free discovery call — *before you enrol***

A first conversation to understand your startup and see if the program fits.

01 **Months 1–3 — *mentorship***

A physical orientation in week one, then online sessions, structured coaching and one-on-one mentoring, shaped around your startup.

02 **Months 4–12 — *investment readiness***

Pitch preparation, investor connects and demo days, alongside the work of building the business.

Good ideas need good guidance.

Most startups don't fail for lack of effort - they fail for lack of guidance. Neos brings people who have built before into your corner.

WHY JOIN?

✦ **Learn from experts**

Practical, real-world business learning from operators who have built companies.

✦ **Personalised mentoring**

One-on-one guidance from experienced founders and industry experts.

✦ **Pitch with confidence**

Refine your pitch and prepare for investor conversations and demo days.

✦ **Build a strong network**

Join a community of ambitious founders and co-builders.

Who it is for

Founders with an MVP-ready or revenue-generating startup, 1.5 to 2 years in their sector, and evidence of revenue or product-market validation. This is not an ideation-stage program.

APPLY NOW →

Apply online at **neos-angels-v2-preview.vercel.app** — every application is reviewed and followed up with a free discovery call.

Build with purpose. Learn from experience. *Grow with the right people.*

Built Nothing Before Coffee from Jaipur into one of India's fastest-growing cafe chains — 100+ outlets across 45+ cities.

What you gain

Stronger business foundations, clearer decisions and more confidence in communicating your venture — a year of structured work on your business.

BUILT FOR FOUNDERS

- ✓ **Startup-specific guidance**
  Get tailored support for your unique business.
- ✓ **Practical business learning**
  Actionable sessions, not just theory.
- ✓ **Feedback and follow-up**
  Stay on track with expert reviews and check-ins.
- ✓ **Clearer priorities**
  Focus on what matters most to your growth.
- ✓ **Pitch preparation**
  Be ready to present, position and raise.

THE CURRICULUM

100+ modules, built by experts. A mandatory core, plus electives you pick around your startup — including industry-specific tracks.

Operations · Marketing · Production · Finance · HR · Technology · Product

This program is launched in collaboration with IICFE Singapore, and you also receive a completion certification.
